FUNERALS YESTERDAY .- The funeral of the late Mr. C. F. Stansbury, the particulars Friday morning last, have been mentioned in | but no disturbance occured. the GAZETTE, took place from the residence of his mother on Cameron street yesterday afternoon at three o'clock, and was yery largely attended. Besides numerous personal friends, there were also present Andrew Jackson Lodge of Masons, Golden Light Lodge of Good Templars, and the Alexandria Reform Club, of all of which organizations the deceased was a respected member. Rev. Dr. Poulson, of the M. E. church, and Rev. Mr. Tredway, of the M. P. Church, officiated, and the pall bearers were Messrs. J. B. Carlin, Wm. Zimmerman and Thomas Selectman, from the Masons, and G. W. Hawkhurt, Charles Hantzman and N. S. Greenaway, from the Good Templars. At the grave the choir of Golden Light Lodge-Messrs. Henry Field, N. S. Greenaway, Herbert L. Ramey, Samuel H. Devaughan, Mrs. Z. T. Pettitt, Mrs. Medley, Misses Ella Herbert, and Effic and Mattie Ramey-rendered excellently the hymn "There is a beautiful rest for thee, Brother." The floral tributes were many and beautiful.

The funeral of George Thompson, a respected colored man, at a took place yesterday afternoon, and was attended by the children of the Sunday School of the First Baptist Church, of which school the deviated was superintendent, and the colored Odd Feilows of the city. The remains of Stephen Trusslow, formerly of this city were brought here yesterday afternoon at

4 o'clock from the other side of Washington, where the death occurred, and interred. When the proression, the coffin containing the body and the mourners in covered wagons, arrived at the yard, it was found that no grave had been dug, and the pall-bearers had to go to work and dig one. Rev. Mr. Sharp, of Grace Church, was the officiating

POLICE ITEMS. - The Mayor had before grounds Saturday night, and for carrying a charged with slapping his wife; Lewis and Frank Dawsey, both colored, for disorderly conduct in the market; Archie Strange, colored, for disorderly conduct; Georgie Nelson, colored, for abusing a white woman named Lucas.

The young man Brooks explained that he had the pistol only for the purpose of re-turning it to a friend from the country, who loaned it to him last Sunday night, and he was fined \$5, this being his first appearance before the Mayor.

Robert Cameron was discharged, as his wife withdrew the complaint against him. Lewis Dawsey was fined \$2.50, and Frank Dawsey, his brother, discharged. Archie Strange was fined \$5

The Nelson woman was discharged, as the evidence of the Lucas woman was contradicted by other witnesses.

A man named Bright for being drunk in the Mayor's office and saying "I'll be damn-ed," was fined \$1, and ordered to be locked

up until he got sober.

THE BURNING OF A CIRCUS CAR.—The loss by the burning of the sleeping car of Barrett & Co.'s circus, at Warrenton, Frimer 17 King street, Alexandria, Value 18 Co.'s circus, at Warrenton, Frimer 19 Co.'s circus, at Warrenton, at Co.'s circus, at Warrenton, at Co.'s circus, a day night, was about \$7,000 to the Company besides the losses to the various actors and actresses, many of whom lost nearly all the clothing they possessed. The scene when "fire" was cried is described as a wild one. The people poured out of the circus in great confusion and the actors made desperate efforts for the recovery of their clothing and other property which was in the burning car. The curiostics of the side show, the fat woman, the strong man, the Circassian family, the smallest man in the world, &c. &c., all rushed about in the most frantic manner. Through the efforts of Capt. Thomas Rudd, of the Virginia Midland Railway, with a corps of employees of the railway company, many valuable articles were saved, and the fire was confined to the one car in which it originated. The scenes at Warrenton came near being re-enacted in this city Saturday night last. One of the circus men in passing through one of the cars loaded with articles belonging to the circus company knocked over a lighted lamp, which exploded, but the flames were extinguished before much damage was done.

YESTERDAY-RELIGIOUS ITEMS.-The weather yesterday was warmer than for a week previous, but large congregations were at the churches open, and a good many people were on the streets during the day. In St. Paul's church Rev. Mr. Downman preached in the morning. Rev. Dr. Flippo, of the Baptist church, preached in the First Presbyterian Church in the morning, and Rev. A. W. Graves filled Dr. Flippo's pulpit. Rev. Mr. Lipcott, of Washington, preached in the German Lutheran church in the evening. There were no services in the Second Presbyterian and M. E. South, churches. The services in the other churches were conducted by the resident clergy.

In the afternoon several open air temperance meetings were held, and a large number of Washingtonians visited the city. With the exception of one disturbance between two well known citizens, the day passed off quietly.

Barrett & Co.'s Circus. - The performances of Barrett & Co.'s Circus Saturday afternoon and night were among the best ever witnessed in this city, giving entire satisfaction to the large crowds in attendance. The music was good, and the acting, embracing a large number of original features, was excellent. The collection of animals alone was worth the price of admission. Mr. Willis Cobb, the gentlemanly press agent of the company, received the visitors, and looked after their comfort in a manner that made him many friends, and which will not soon be forgotten. He also introduced his trained dogs, and under his charge their many tricks won frequent applause. During the performances their was nothing said or done by either the clowns or the actors that the most fastidious could object. The com-pany, which will remain in Virginia for several weeks, is a good one, and is worthy a liberal patronage.

Personal.—The Denver, Col., Evening World says: "Judge Westel Willoughby, a prominent lawyer of Virginia, accompanied by his wife, is in the city the guest of his brother. Building Inspector Willoughby. The Judge proposes to visit the mountains,

and will remain in the State about four Rev. O. F. Flippo left the city this morning to attend the Potomac Baptist Associa-

down the tents of that circus in this city iate Saturday night a number of negro roughs congregated some distance off in the dark and commenced throwing rocks at them. The circus men armed themselves and there were prospects for a row, but the negroes ran off and the circus men went quietly to work again. A circusman, after the negroes had been dispersed, reported to officer Pat Hayes that a young white man had drawn a pistol on him. The young man was promptly arrested by the officer. Later a colored man, connected with the circus, had three of his fingers cut off by the cars, and this caused some excitement, and of whose sudden death at Hamilton, Va., the engineer of the train was threatened,

BROUGHT HOME.—The remains of Fenton Johnson, colored, who died from injuries sustained while blasting Thursday last at Cornwall, on the Hudson river, N. Y., were brought to this city yesterday morning. Simpson McCaulklee and Joseph Gaskins, both colored, who were badly injured at the same time and place, have also arrived at their homes in this city.

Farmers and others having timber that they want converted into different classes of lumber, can be accommodated at lowest prices by JNO. P. AGNEW & CO.,

WHEAT GROWERS.

The undersigned, PIONEER in the manufacture of FERTILIZERS in this city, and ORIGINATOR in 1858 of the formulas and processes of manufacture of

Excelsior and Ammoniated Phosphate, about one tenth the price; that settles it. The only trouble is in keeping up a supply. Requires him, continues to offer them to the farmers and planters of Maryland and Virginia, with the assurance that the High Standard Quality of each will be maintained as heretofore.

AND

The above are the most concentrated FRRTILIZERS ever offered to the farmer, combining all the timulating qualities of Peruvian Guano and the ever-durable fertilizing properties of bones in fine, dry powder, prepared expressly for drilling. For growing wheat, it is the universal opinion of the farmers of Maryland and Virginia, after over twenty years' experience in the use of these Fertilizers manufactured by me, that an applica-tion of 100 pounds is equal in its effects to 200 pounds of any other fertilizer or guano, therefore

fully 50 per cent cheaper.

With my present advantages and superior facilities for manufacturing, I challenge competition with any fertilizer sold in the United States, in quality, mechanical condition and price.

By strictly adhering to my original formulas, using only the most concentrated materials and

superintending in person their manufacture, as for the past twenty-four years.

UNIFORM QUALITY IS GUARANTEED. Farmers, to secure the ONLY GENUINE EXCELSIOR and PHOSPHATE prepared according to my original formulas, established in 1858, should see that every bag is branded as above, with the ANALYSIS and MY NAME IN RED LETTERS.
